# "Seven Steps to Kingdom Apostleship"

This Revolutionary and Groundbreaking Training Course will teach you and bring you back to the original roots of the Gospel of the Kingdom as Christ lived it and taught it to His Disciples. This Discipleship Training Course will help you transition from being just a Believer in Jesus Christ, to becoming a True Follower of Jesus Christ and help you learn to manifest Gods' Awesome Power!

Seven Steps to Kingdom Apostleship shows and teaches you step by step how to enter True Discipleship with Christ and how to reach Kingdom Apostleship. This Discipleship Training Course implements the Method of Christ in teaching the True Gospel of the Kingdom and will help you understand what the True Good News is.

***"Christ did far more for us than just dying on the Cross to forgive our Sins"***

Many Christians have asked me: *"Why don't we hear of or see Miracles anymore?"* The answer is real simple. We lack the Foundation of the Kingdom to be able to do those things and manifest the Awesome Power of God. Primarily because we have not used the free Gift of Christ Blood to its fullest potential, mainly because Religion has watered down the Gospel of the Kingdom as Christ showed it, taught it and lived it.

This Training Course will help you reach your fullest potential under the Blood of Christ. These studies are equivalent to a College class. You will read and study over 500 texts, spanning from Genesis to Revelation and covering almost every book of the New Testament. By the end of this Training Course you WILL have the Foundation of the Kingdom in place, so that you may walk in the same Power & Authority as Christ and His Apostles did. The question is: will you allow the Holy Spirit to Guide, Teach and Instruct you?

***"Are you BOLD enough in your Faith to be a True Follower of Jesus?"***

*"After 40 years in Church I have truly discovered the importance of the Holy Spirit in my life. This Training Course has given me a new Purpose for life." N. Feal*

*"This Training Course pushed and challenged my Faith to grow and helped me expand beyond what I had learned in Bible College. Now when I read the Bible, the words jump off the pages, it is completely alive to me; this has also brought more depth to my Ministry and made God real in my life." Pastor J. Gonzalez*

*"It is only through the complete understanding of the Kingdom that we can experience Gods' Awesome Power in our lives. This Training Manual takes you from the Milk of the Gospel, to truly experiencing the Meat of the Gospel and the Fullness of Christ. This is the NOW Message that must be preached by ALL Followers of Christ." Pastor L. Chiscull*

**\*\*This is NOT your normal run of the mill Bible Study class.** This is an in depth, roll-up your sleeve, hands-on Training Course that if you're ready: will Help, Guide and Teach you to live for Gods' Kingdom. Consider this like basic training for the Army (*it will be tough & it is NOT for the faint in heart*); during which you will be shown a general knowledge of all weaponry, artillery and battle techniques (*Spiritual Weapons*) so that you can battle successfully against the enemy (*satan*). The only difference is that you will be training to be a TRUE Soldier in Gods' Army (*His True Followers*).

Deep down a lot of us are recognizing that: **"there has to be something more to my Faith"**; and my dear Brothers and Sisters there is. **It's the true knowledge of the Kingdom that is missing from your lives.** This Discipleship Training Course will take you step by step into the realization of that Truth. These Studies will help you understand how and why Christ performed the Miracles He did; and most importantly how we can do greater things than Christ did through our knowledge of the Kingdom (**John 14:12**). Together we will all take this journey deep into the Word of God and discover many hidden treasures.

*"How this Training Course works"*

God wants His Followers to fulfill their God given destiny and in doing so bringing Glory to the Sacrifice His Son made on the Cross. Unfortunately, satan has blinded us through thousands of years of deception. His most powerful tools have been our lack of knowledge of the Scriptures and our un-discipline to make time for studying Gods' Word.

Most "Christians" DO NOT realize the awesome Power and Authority we have under the Blood of Jesus Christ. It is this great deception that has led the vast majority of "Christians" to overlook the Great Commission that Christ gave us as a Mandate to all who accept His Redemptive Blood.

This is the reason why God has allowed me the privilege to be used as His instrument to create this Bible Study curriculum. God is the Author and I am the co-author. To Him and only to Him shall be the Glory. There are no hidden agendas, nor are there in any way, shape or form any promotion or demotion of any Religions or Denominations.

The purpose of this Discipleship Training Course is to bring **ALL** of us (*regardless of your faith or Spiritual background*) back to the Original Gospel of the Kingdom that Christ proclaimed & lived during His Ministry. The goal of this Training Course is to help you understand what **True Discipleship** is and begin developing an intimate Relationship with Jesus Christ through this journey so that you can truly step into **Kingdom Apostleship**.

This Discipleship Training Course (*Bible Studies*) is as close to a College class that you are going to get. The books assigned for your reading assignments are intended to give you additional support to your Spiritual foundation, as you continue to build your Discipleship with Christ. Please keep in mind that the reading assignments are optional; but by completing them in their entirety, they will help to enhance the material being studied. Every day you will have ONE chapter to read from the designated book.

These Studies are divided into (17) one-hour Sessions/Classes and designed so that you look up the Text, try to understand it and then read the explanation the Holy Spirit gave for that Text. I recommend that you finish reading "**The Purpose Driven Life**" (AKA "*What on Earth am I here for*") before entering Bible Study #3; that will allow you ample time for you to digest the information you are reading.

After Bible Study #4 there will be a Mid-term Exam which will cover the material studied from the Foreword to Bible Study #4. There are stars placed throughout these Studies in the margin to indicate the sections that will have test questions derived from. All vocabulary words will be on the Exam as well. You will also see arrows next to sections that the Facilitator will read for the class.

Look at each Study as a link of a chain; your goal is through the Holy Spirit to connect each link (*Study*) to the previous (*Study*); reading Studies in order will help build a foundation for the next Study. As you progress you will see that each Study draws you deeper into the Word of God and intensifies in the Truth you will receive.

To clarify the purpose of this Discipleship Training Course even further; the design of this Course is not to give you all the answers you seek, but to help you to allow the Holy Spirit to teach you and lead you to all Truth along with the answers you seek. The design and layout of these Studies were an anointed idea and have been organized in this manner so that you can grow Spiritually from the **Milk of the Gospel** to the **Meat of the Gospel**.

Every Study will have homework assignments including reviewing the entire Study you just completed throughout the following week. Review all information given during the Class/Session you just completed along with the additional Bible texts not covered in Class, including the field trips and at-home exercises. The entire comprehensive scope of the material included within this Discipleship Training Course will bring you into your Apostleship, as the **Holy Spirit** continues to teach you.

When you begin to study at home pray every time that you open your Bible and this Training Manual for: "**God to give you Spiritual Vision, that He anoints you with His Divine Wisdom and Understanding so that you may learn, absorb and comprehend His Word.**" Invoke the Conversion Power of the Holy Spirit over your mind & over your life and He will Lead you, Guide you and Teach you. See also **II Timothy 3:16**.

It is recommended that you study with your spouse, friend, family member or anyone that is interested in beginning their Discipleship with Christ. Studying with someone will help you to hold each other accountable for the reading assignments and homework. Remember "**Wherever two or three are gathered in Christ name, there He will be in the midst of you**". Invoke this Promise every time you begin studying and He (*Christ*) will be there through His Holy Spirit bringing you to all Truth.

On the next page there is a Covenant (*Promise*) typed out that will symbolize your commitment to seek God and to follow Him as a True Disciple. God has promised, that you will get out this journey what you put into it. It's time to put action behind your faith and give Christ the place He deserves in our lives, don't hesitate....
